

## SOUTH PARK HIGH SCHOOL UPDATED PROCEDURES

As we near the start of the year, we wanted to review some revised procedures for South Park High School which will be in effect until further notice.

Students who are being dropped off or picked up at South Park High School or who are assigned parking spots in the back lot are to drive around the building as illustrated below by making the first left turn after entering the South Park High School campus. District staff will be directing traffic on campus for the first few days of school.

School buses, faculty/staff, and students who are assigned parking spots in the front of the building may proceed straight after turning onto campus as illustrated below. District staff will be directing traffic on campus for the first few days of school.

Students may arrive between 7:05 and 7:20 a.m. The late bell rings at 7:25 a.m. A staggered dismissal schedule will begin at approximately 2:20 p.m. with bus riders being dismissed first. Students will be dismissed by P.A. system announcements.

Until further notice, high school students are to report to their first period class upon arrival at the high school. Attendance will be taken by their first period teacher. Homeroom assignments at the high school will not be observed at this time.
