Updating Acceptance/Other Status of University/College in Naviance

Once you have heard back from a college/university about your application, you must update the status in Naviance. You must do this in order for you to be able to request your final transcript be sent at the end of the school year to the university/college you will be attending.

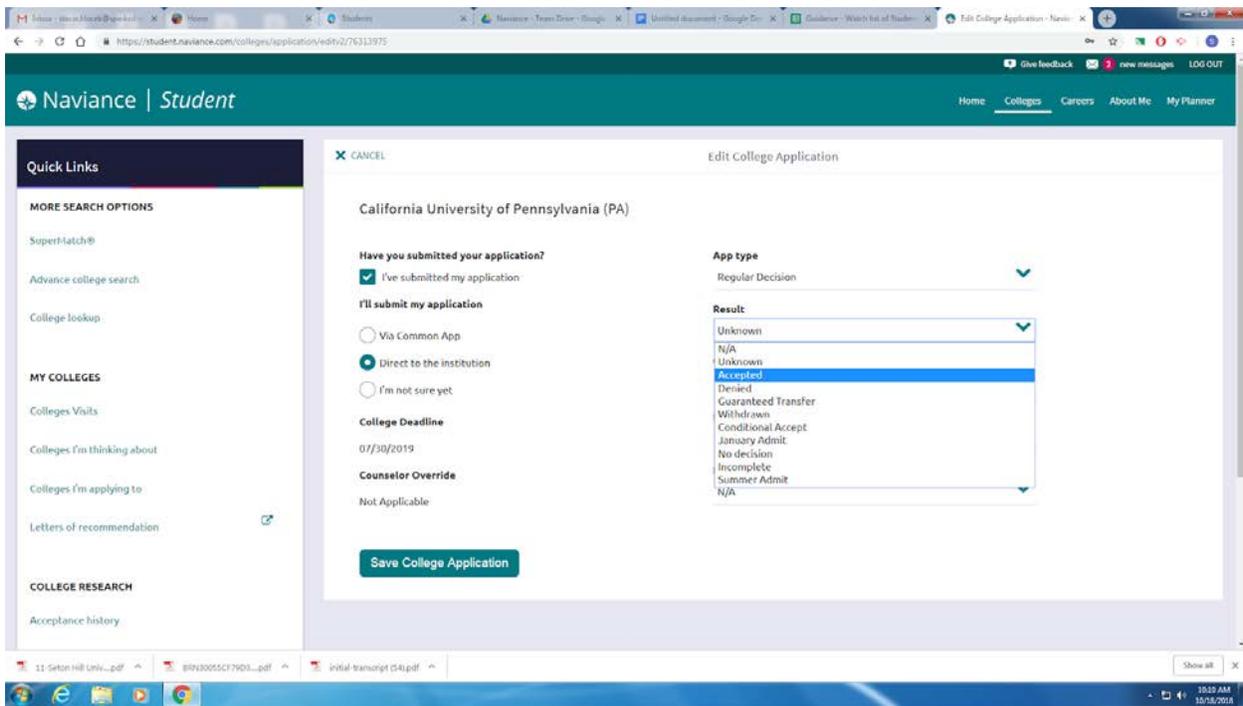

Log into Naviance.

Go under the “Colleges I am Applying To”. Click on the EDIT button of the school you need to update.

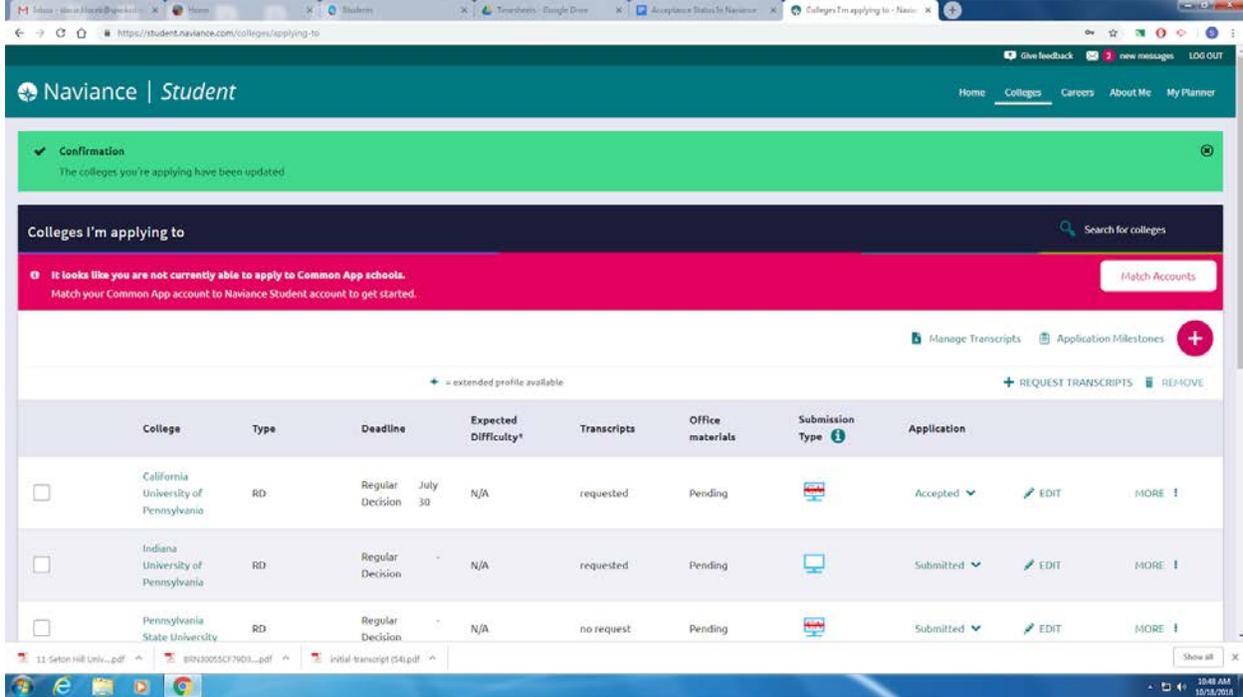

The following screen appears. Click on the “Result” Dropdown. Select the answer that best applies.

Then Click on Save College Application.

The green confirmation message will appear after you have saved the change.

Letter of Recommendations:

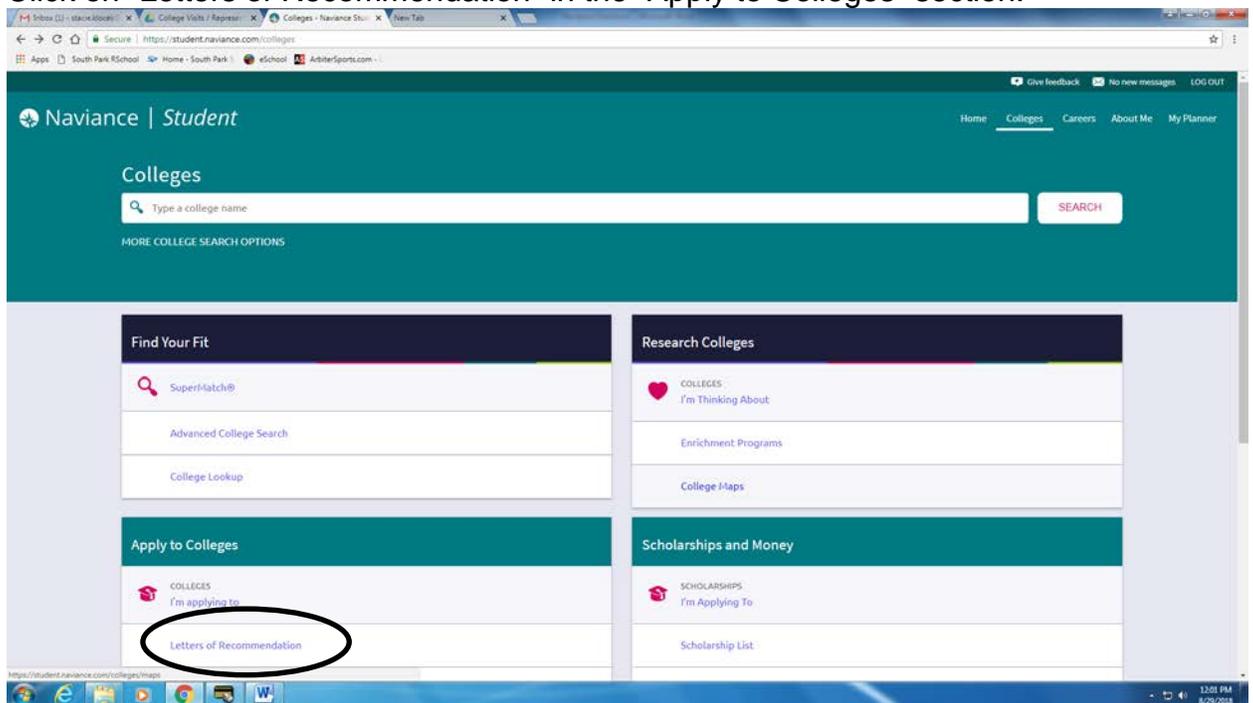

It is important that you review the admission requirements for each school prior to asking a teacher for a letter of recommendation. It is possible that the school(s) to which you are applying do not require a letter of recommendation.

Prior to requesting a recommendation letter via Naviance colleges must be in the “Colleges I’m Applying To” section.

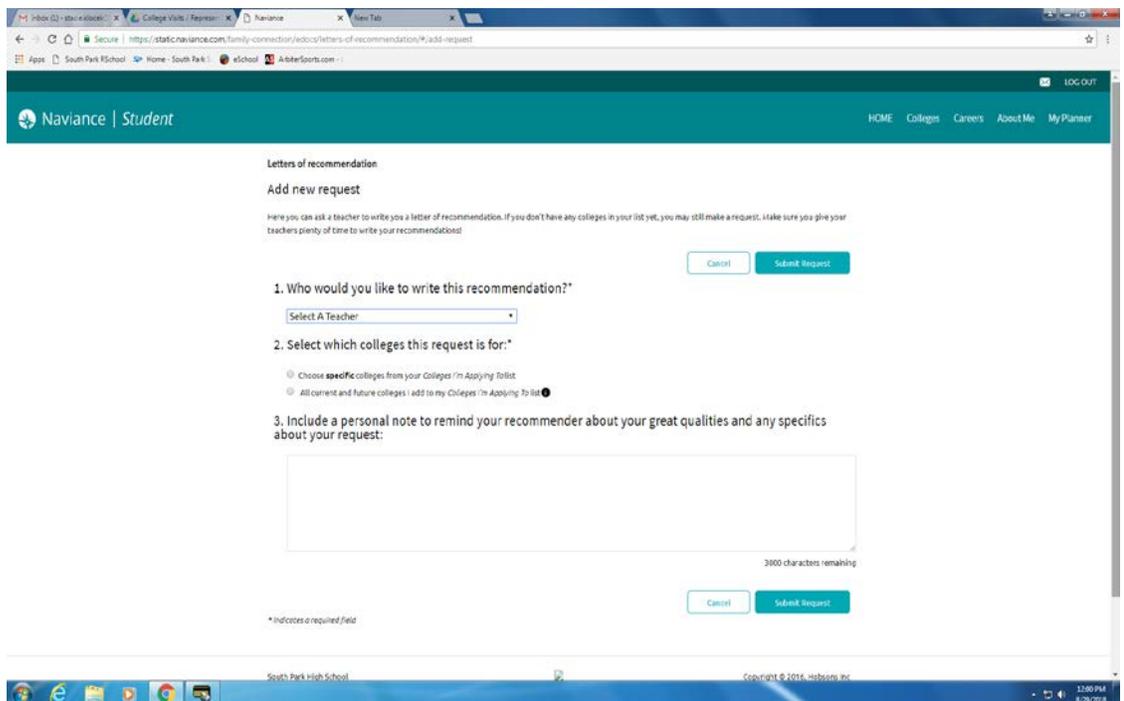

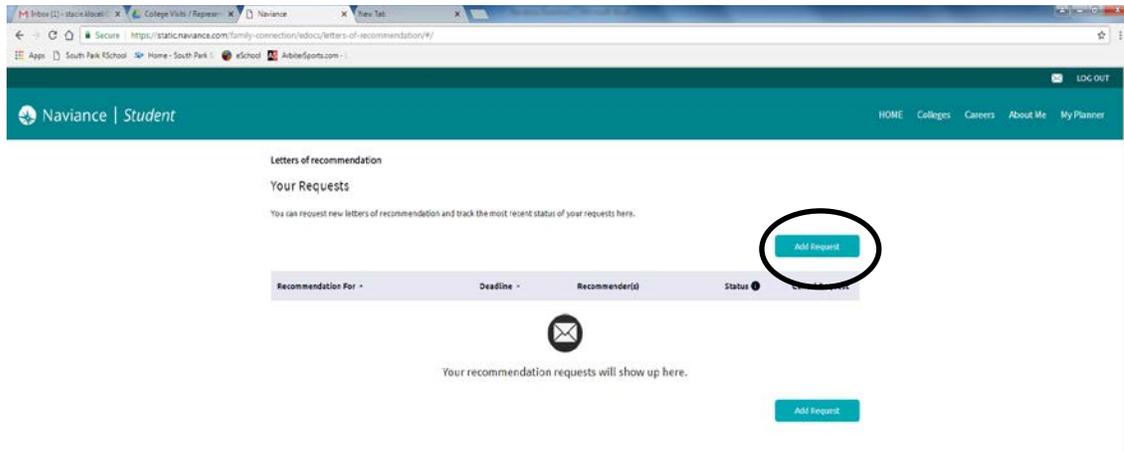

1. Click the “Colleges” tab
2. Click “Colleges I’m applying to”
3. Either match your Common App, or if you are not using Common App, add each school to your list individually

Talk to your teacher in person to ask if he/she would be willing to write a letter of recommendation on your behalf. Be prepared to give the recommender a résumé.

1. From the Naviance homepage, click on the “Colleges” link in the upper right hand corner, then click the “Colleges Homepage” link under the “Colleges” section.
2. Click on “Letters of Recommendation” in the “Apply to Colleges” section.

- Click on “Add Request”. You can only request a recommendation from one teacher at a time. Therefore, you will need to complete separate requests for each teacher from whom you are seeking a recommendation. Click the drop down box to find the teacher who will be writing your letter of recommendation.

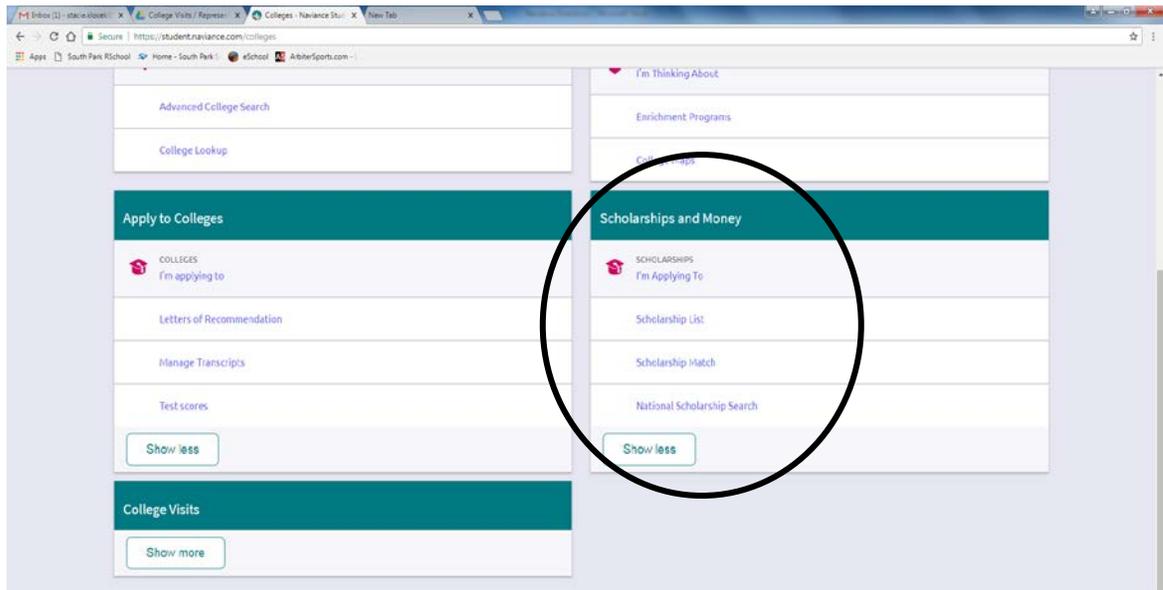

- Choose “All current and future colleges”, unless a school to which you are applying limits the number of letters of recommendations it will accept. In that circumstance, you need to choose specific schools to which your recommendation(s) will be sent.
- In the “Personal Note to Teacher” box you should thank your teacher for taking the time to write a letter for you. You can also include any specifics that you want mentioned in your letter. You can paste in your resume here for the teacher to see. Click “Submit Request” to send your teacher recommendation request.

IMPORTANT: If your application requires a counselor recommendation, please notify your counselor via email or in person, as they are not listed in the selection of teachers. Requests for letters of recommendation from a counselor should be made at least two weeks prior to the application deadline
