South Park students are encouraged to attend this college fair at the convention center in Pittsburgh. Students may attend in the evening with their parents or students will be provided an excused absence if attending during the day with a note from a parent.

All students must register individually for the fair at Student Registration

<https://www.gotomyncf.com/Registration/EventSelectForState?stateName=Pennsylvania>

prior to the event. By registering early, students will be able to print a pre-registration form to bring to the fair. This form enables them to electronically transfer their contact information to the institution of their choosing. If students do not pre-register for the fair, through this website, they will have to register on-site, which will most likely delay their time speaking with admission counselors. When students register, they can take a screen shot of their bar code, and use that when talking to the college representatives. Please let the students know that we, unfortunately, do not have charging stations available.
